

"We contracted King Plastering Inc. for stucco repairs on one of our projects a few years back. They helped us figure out how to properly repair the stucco and ensured only high quality materials would be used. In the end they did a great job and really came through for us on some difficult repairs, we were very happy we chose them. To this day King Plastering Inc. is the only stucco contractor we consider to help us with our stucco needs.

Jose and his crew are a pleasure to work with they are very friendly, very professional and more importantly produce high quality work. I would definitely recommend them to anyone!

Sincerely,

Donnie Danesh
